# LET'S HELP ERADICATE FUEL POVERTY

Working with the Local Energy Advice Partnership (LEAP) and C Supplies, we are offering people in the UK furnishing industry the opportunity to replace a maximum of two old or broken white goods appliances with new energy efficient machines for free. Delivery and installation of the new appliances is included, but applicants must have existing appliances to exchange. This is a limited time offer.

## CRITERIA

To benefit from this offer, applicants must have a total annual household income of less than £31,000 OR be receiving one of the following:

- Income-related Employment and Support Allowance
- Income-based Jobseeker's Allowance
- Income Support
- Pension Guarantee Credit
- Child Tax Credit / Working Tax Credit
- Universal Credit
- Housing Benefit

Applicants will be required to show evidence that they have an appliance to replace, and that they meet the criteria.
